

## CRF FAMILY CAMP PARTICIPANT AGREEMENT

### AND RELEASE OF LIABILITY

1. Family understands the hazards of the novel coronavirus (“COVID-19”) and is familiar with the Centers for Disease Control and Prevention (“CDC”) guidelines regarding COVID-19. Family acknowledges and understands that that the circumstances regarding COVID-19 are changing from day to day and that, accordingly, the CDC guidelines are regularly modified and updated, and the Family accepts full responsibility for familiarizing its members with the most recent updates.

2. Payment-in-full is due before entrance

3. If someone in your Family has been exposed, or believes they might have been exposed, to someone who has subsequently tested positive for COVID-19 within the 14-day quarantine period before the start of the Family’s session, Family must report this possible exposure to Camp Roosevelt Firebird. If Family does not report a potential exposure, and the Camp Directors subsequently discover this information, Family will forfeit the right to attend Family Camp, as well as the entire tuition payment.

4. Family attendees agree to abide by the “Community Norms” as explained in our orientation / check-in session and on the handout the Family has received. Each family must abide by these regulations, including those related to cohorting and social distancing from other cohorts and any other rules and regulations set by Camp Roosevelt Firebird related to COVID-19 safety. This includes supervising children. Children do not have a different set of rules. All Family members will agree to wear face coverings when there is potential for coming within six feet of Camp Firebird Roosevelt staff or members of other cohorts - and to have a mask on their person (or, for example, in a nearby backpack) at all times. Family Camp participants will agree to use good judgment when interacting outdoors with members of Camp Roosevelt Firebird staff or other cohorts, retaining a six-foot distance between persons and at all times.

*• If a member of your Family or cohort fails to comply with the rules for cohorting and social distancing, your Family/cohort will receive one warning. There will be no second warning. Upon the second occurrence, your Family and/or cohort will agree to depart camp immediately with no refund of tuition.*

5. If member of your Family or cohort presents with a fever of 100.4 or greater, loss of sense of smell and/or taste, or a newly dry, persistent cough, your cohort will agree to depart camp immediately. If Camp Roosevelt Firebird’s Medical Team suspects, for any reason, that a member of your Family or cohort may be COVID-positive, due to a combination of symptoms including, but not limited to, sore throat, headache and diarrhea, your cohort will agree to depart camp immediately. In that event, Camp Camp Roosevelt Firebird will retain a prorated portion of tuition calculated by the number of nights spent at Camp

6. No Family pets will be allowed on camp's grounds. Weapons, of any kind, including concealed or openly carried firearms, are banned on camp grounds.

- Vehicles must remain in the camp parking lot except during designated "unpacking" and "packing" times. Driving through camp during Family Camp is prohibited.
- Smoking of any kind is not allowed on the premises.
- Consumption of alcohol furnished by the Family is permitted. Please use good judgment and respect other Families and Campers. Do not use alcohol in the presence of other Campers outside your cohort or in front of minors without the permission of all adult Participants/Campers. Those deemed to be not in compliance regarding use of alcohol and/or the illegal use of any drugs as defined by the state of Ohio, may be asked to leave Camp and no refund will be given.

7. The waterfront is off-limits except for designated times when lifeguards are on duty, such as during activity periods. Swimming and boating after dark are strictly prohibited.

### **RELEASE OF LIABILITY and ASSUMPTION OF RISK**

The Family understands that part of the Family Camp experience involves activities and living arrangements and interactions that may be new to Family participants and that they come with certain risks and uncertainties beyond what Family participants may be used to dealing with at home, including uneven terrain, thrown and other wayward objects, children and adults running about, and potentially harmful insects, animals and plants. The Family is aware of these risks and assumes them on behalf of their Family participants.

The Family recognizes that Camp cannot guarantee that it is free from COVID-19 or other pathogens, and that as in any facility there is a risk that one or more members of the Family could become ill. The Family realizes that no environment is risk free and has instructed Family participants on the importance of abiding by the rules outlined in this contract and by the guidelines set forth by Camp Roosevelt Firebird.

Family and its participants agree that they are familiar with these rules and guidelines and will adhere to them. The undersigned Family and its members hereby release Camp Roosevelt Firebird, it's owners, directors, employees, agents or anyone acting on their behalf, from any and all claims, demands, bodily injuries, property damage, or other losses or demands of any kind and nature whatsoever which may occur during the course of Family Camp, whether or not related to participation in the Family Camp.

Please understand there will not be a medical doctor living on the premises, and that procedures regarding emergencies have been explained -- including how and where a family can call 911. Family understands that Camp Roosevelt Firebird and its owners and directors are not liable for any injuries, damages or losses that may occur during Family Camp.

If any Family participant is a driver or passenger in a vehicle at any times during the course of the Family Camp, whether on Camp grounds or off-site, Camp Roosevelt Firebird is not responsible for any vehicle damage or personal injury caused by or arising from the use of such transportation. Family agrees to indemnify and hold harmless Camp Roosevelt Firebird from any claims or causes of action, including attorney fees and other costs of defense, arising out of the acts or omissions of Family or its participants.

**AUTHORIZATION TO USE CERTAIN RECORDINGS**

Family further recognizes and acknowledge that may record the Family members' participation and appearance in Family Camp on any recorded medium including, but not limited to video, audio, photos (collectively "recordings") for use in any form (including, but not limited to print, websites, blogs, marketing, internet, and social media). Family authorizes such recording and releases Camp Roosevelt Firebird to use the Family members names, likeness, voice, and biographical material to exhibit or distribute such recordings in whole or in part without restrictions or limitations. If Family does not authorize such use, it must indicate that in writing to Camp Roosevelt Firebird.
